ADMISSION

www.uwplatt.edu/admission

At the University of Wisconsin-Platteville, we're looking for determined individuals who want to achieve excellence, create opportunities, and empower themselves, their communities, and the world. If you know a student who would be a welcome addition to our tradition of excellence, they should keep the following information in mind:

COMPREHENSIVE APPLICATION REVIEW

While academic potential is a part of what makes a great Pioneer, we also take into account non-academic factors, such as activities, work experiences, and volunteering; passion for continuing education; and the goals and motivations presented in the essay portion of the application.

ACT AND SAT REQUIREMENT SUSPENDED

As of May 7, 2020, the [requirement of an ACT or SAT test score has been suspended](#) for the 2020–21 and 2021–22 academic years. For students that choose to forgo the use of a test score as a part of their admission review, additional focus will be placed on the high school grade point average and course rigor throughout the high school record.

OFFICIAL VERSUS UNOFFICIAL

Unofficial high school transcripts and test scores (if submitted) are accepted for initial admission consideration. Final official transcripts are required prior to enrollment.

FRESHMAN CLASS ACADEMIC PROFILE

The following [profile statistics](#) are from new freshman applicants previously admitted to the Platteville campus. **These ranges represent the middle 50% range of admitted students**—meaning that 25% of admitted students had scores below this range and 25% of admitted students had scores above this range.

High School GPA (4.0 scale)	ACT Composite	SAT Composite
3.146-3.8	21-27	1050-1250

BRANCH CAMPUS ADMISSION

Admission at the branch campuses primarily focuses on the completion of the 17 college preparatory units. Learn more about admission for [UW-Platteville Baraboo Sauk County](#) and [UW-Platteville Richland](#) by visiting their websites.

NEW ACADEMIC PROGRAMS AND UPDATES

www.uwplatt.edu/academics

With over 50 majors, UW-Platteville has options that fit students' unique needs and career goals. While we've long been a leader in engineering, agriculture, education, and criminal justice, we're thrilled to promote updates like our **Bachelor of Business Administration**. This degree is different from a bachelor of arts or science as it demonstrates to employers a focus on the skills and approaches required for a successful career in business. Students can earn a BBA in [Finance](#), [Human Resource Management](#), [Integrated Marketing](#), [Integrated Supply Chain Management](#), [Management](#), or [Professional Sales](#).

- Additional **new offerings** at UW-Platteville
 - [Construction Management](#)
 - [Cybersecurity](#)
 - [Data Science](#)
 - [Environmental Science and Conservation](#)
- **New offering** at the Baraboo Sauk County and Richland campuses
 - [Associate of Science in Pre-Engineering](#)

A LEADER IN STEM EDUCATION

UW-Platteville has earned its reputation as one of the top engineering schools in Wisconsin and that tradition of excellence carries into all our STEM programming. Whether a student's interest lies in engineering, computer science and mathematics, or they're drawn to the natural sciences like chemistry, biology, or our new environmental science and conservation program, they'll enjoy a unique student experience under the guidance of esteemed and engaged faculty. And while most schools reserve lab time for juniors and seniors, our small class sizes and modern facilities allow for hands-on learning and research from day one.

PAYING FOR COLLEGE

www.uwplatt.edu/paying-college

UW-Platteville has received [national recognition](#) for the value of our degrees, and we have many options to make education even more affordable. Students can use our [Cost Calculator](#) to start planning ahead for their education.

PIONEER PLEDGE

Through the [Pioneer Pledge](#), new freshmen who are Pell-eligible Wisconsin residents and are admitted as full-time students to the Platteville campus by May 1 are guaranteed to have the cost of undergraduate, on-campus tuition and fees covered, with opportunities to renew annually.

TRI-STATE INITIATIVE

Residents of Illinois and Iowa are automatically reviewed for [Tri-State Initiative](#) eligibility upon applying to the Platteville campus. TSI students receive a discounted tuition rate, making UW-Platteville comparable to the resident cost of attendance in their home state.

SCHOLARSHIPS

Scholarships of varying amounts for new freshmen and continuing students are offered at each campus. View individual scholarships for details.

[Scholarship opportunities](#) at the Platteville campus include the highly competitive [Chancellor Scholarship](#), which covers up to full tuition and fees; New Freshman Scholarships, a series of general and college specific awards; and automatic merit scholarships of \$1,000, \$1,500, or \$2,000.

New Student Scholarships are offered at [Baraboo Sauk County](#) and [Richland](#) campuses. Through the Richland Promise, newly admitted freshman for the 2021–22 school year that submit a completed scholarship application will receive a minimum of \$500 to support their studies.

UW-PLATTEVILLE

Scholarship application opens on Oct. 1

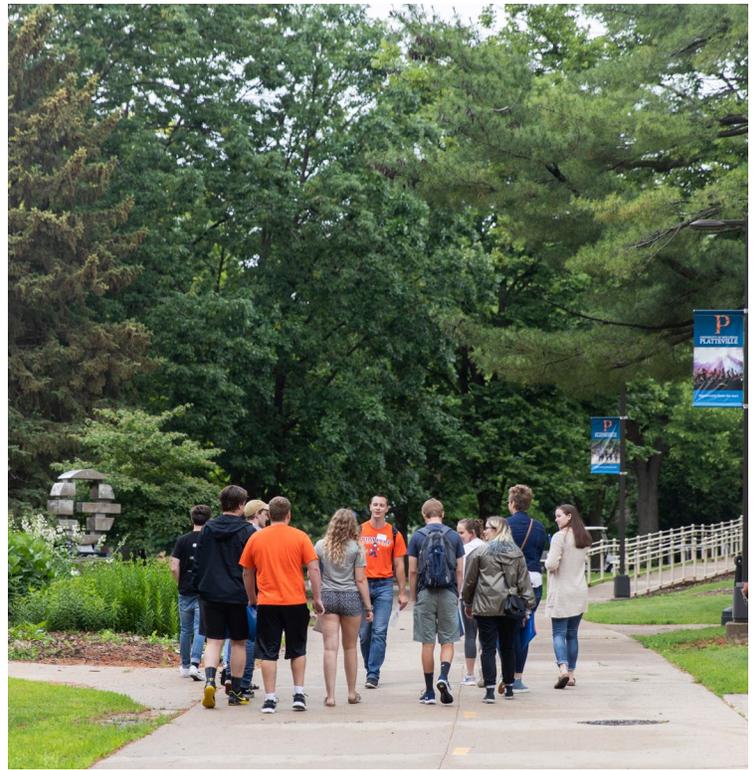

- Chancellor Scholarship: deadline Dec. 31
- Most other New Freshman Scholarships
 - Priority deadline Feb. 1
 - Final deadline April 1
- Merit Scholarship: ongoing

UW-PLATTEVILLE BARABOO SAUK COUNTY

New Student Scholarships: deadline April 1

UW-PLATTEVILLE RICHLAND

New Student Scholarships: deadline April 1

UNIVERSITY SERVICES

www.uwplatt.edu/university-services

At UW-Platteville, we know a successful student experience extends outside the classroom. That's why we're proud to offer support through the following services:

- Academic Support Programs
- Career and Professional Development Office
- Office of Multicultural Student Affairs
- Doyle Center for Gender and Sexuality
- Services for Students with Disabilities
- Student Health Services
- University Counseling Services
- Wright Center for Non-Traditional and Veteran Students

VISIT US

www.uwplatt.edu/visit

UW-Platteville and its branch campuses will continue to host on-campus visits this fall for small groups, providing each student a more personalized experience.

This includes Paths to Platteville, where students of color and first generation students will be introduced to the unique supports system and resources available to them. If student can't make it to campus, they can go to our [visit page](#) to learn more about campus.

José Martins
Electrical Engineering
UW-Platteville

“I was interested in UW-Platteville because it is well known for its engineering department, and also it is affordable. Now that I am a student here, I would choose UW-Platteville over any other school over and over again.”

Joseph Creanza
Soil and Crop Science
UW-Platteville

“One of the main reasons I chose to study agriculture is so I would be able to have my community and neighbors benefit from my knowledge. I really appreciate and value those principles of the UW System and Wisconsin Idea.”

Blair Schuler
Fine Arts-Theatre
UW-Platteville

“In the theatre program, I found my second family. The professors are ridiculously supportive, and they push me to do my best in all my endeavors. I’m always excited to show up to class, work, or rehearsal, and I love getting to be myself every single day, without fear of judgement.”

Christina Gutrich
Associate of Arts
and Sciences
UW-Platteville Baraboo
Sauk County

“I really appreciate the support here on campus from my professors and the fantastic academic advising staff. I love the small class sizes! I feel like I’m able to fully engage with the material and ask all the questions I need. It’s proven to be one of the most valuable experiences for me.”
