ADMISSION

At the UW-Platteville campuses, we're looking for determined individuals who want to achieve excellence, create opportunities, and empower themselves, their communities, and the world.

NO APPLICATION FEE and NO ENROLLMENT DEPOSIT

COMPREHENSIVE APPLICATION REVIEW

While academic potential is a part of what makes a great Pioneer, we also take into account non-academic factors, such as activities, work experiences, and volunteering; passion for continuing education; and the goals and motivations presented in the essay portion of the application.

ACT AND SAT REQUIREMENT SUSPENDED

The requirement of an ACT or SAT test score has been suspended. For students that choose to forgo the use of a test score as part of their admission review, additional focus will be placed on the high school GPA and course rigor throughout their high school record. *For those wanting to submit test scores we will accept the ACT super score.*

OFFICIAL VERSUS UNOFFICIAL

Unofficial high school transcripts and test scores (if submitted) are accepted for initial admission consideration. Final official transcripts are required prior to enrollment.

FRESHMAN CLASS ACADEMIC PROFILE

The following statistics are from new freshman applicants previously admitted to the Platteville campus. **These ranges represent the middle 50% of admitted students**—meaning that 25% of admitted students had scores below this range and 25% of admitted students had scores above this range.

High School GPA (4.0 scale)	ACT Composite	SAT Composite
3.13-3.83	21-27	1040-1250

Admission to the branch campuses primarily focuses on the completion of the 17 college preparatory units. Learn more about admission for [UW-Platteville Baraboo Sauk County](#) and [UW-Platteville Richland](#) by visiting their websites.

A LEADER IN STEM EDUCATION

Science, technology, engineering, and mathematics are at the core of our programs with one of the top engineering schools in Wisconsin, new facilities and labs, and an emphasis on undergraduate research. Whether a student's interest lies in **engineering, computer science and mathematics, or they're drawn to chemistry, biology, or environmental science and conservation**; they'll receive guidance of esteemed and engaged faculty.

- The [Women in STEM program](#) provides mentorship and additional support.
- Unique student clubs such as the American Foundry Society, Engineers without Borders, and F.I.R.S.T Robotics Team provide another way for students to get the hands-on experience and support they need.
- Performance and visual arts opportunities are available for all majors. STEM majors are encouraged to be actively involved in chorus, band, and theatre.
- [Living Learning Communities](#) are available to enhance both academic and social opportunities.

LOAN REPAYMENT ASSISTANCE

Beginning fall 2021, UW-Platteville has partnered with Ardeo Education Solutions to offer **incoming new freshmen elementary-middle level education majors** the loan repayment assistance program at no cost to students or families. The assistance will continue until the graduate's income exceeds \$48,000 or until their loans are completely paid off. Visit the website to learn more!

MAKING COLLEGE AFFORDABLE

www.uwplatt.edu/paying-college

UW-Platteville has received [national recognition](#) for the value of our degrees, and we have many options to make education even more affordable. Students can use our [Cost Calculator](#) to start planning ahead for their education.

PIONEER PLEDGE

New freshmen who are Pell-eligible Wisconsin residents and are admitted as full-time students to the Platteville campus by May 1 are guaranteed to have the cost of undergraduate, on-campus tuition and fees covered, with opportunities to renew annually.

TUITION ADVANTAGE PROGRAM *Formerly known as the Tri-State Initiative*

Residents of Illinois and Iowa are automatically reviewed for Tuition Advantage Program eligibility upon applying to the Platteville campus. Students receive a discounted tuition rate, making UW-Platteville comparable to the resident cost of attendance in their home state.
