Let's take a look at the UW campuses, one by one.
At UW-Eau Claire, we have redefined the college experience to better prepare you for the future and give you the space you need to transform yourself and the world around you. As a Blugold, you’ll be encouraged to push boundaries and test limits. You’ll rewrite the written, achieve the unthinkable and invent the unimaginable. You’ll learn that when we have compassion for others, embrace our differences and work as a team, we’re a force to be reckoned with — anything is possible.

Students who graduate from UW-Stout, Wisconsin’s Polytechnic University, earn more than a diploma: they start exciting careers with experience on their resumes. The university’s majors offer experiences that stretch students’ minds and equip them with problem-solving and critical thinking skills valued by employers. Students often spend more time in labs than in traditional classrooms.
