Fall 2022 is off to a great start at the University of Wisconsin-Platteville, as we welcome new and returning students to our campuses at Platteville, Baraboo Sauk County, and Richland. We understand that choosing a college is a huge decision and major investment, and we’re seeking innovators, dreamers, and doers who want to change the world. Our tuition ranks among the lowest in the state, which means our students graduate career-ready with less student debt than their peers.

NEW ACADEMIC PROGRAMS

At UW-Platteville, we offer more than 50 academic majors, with a special emphasis on the science, technology, engineering, and mathematics fields.

New offerings

- Bachelor of Science in Computer Engineering
- Bachelor of Science in Business Administration (Baraboo Sauk County)
- Bachelor of Science in Professional Studies
- Accelerated Bachelor of Science in Nursing
- Master of Science in Sport Administration

TOP PROGRAMS

- Agriculture
- Biology
- Business
- Criminal Justice
- Education
- Engineering
- Industrial Technology

BRANCH CAMPUS ASSOCIATE DEGREES

- Associate of Arts and Sciences
- Associate of Science in Business Administration
- Associate of Science in Food and Agriculture
- Associate of Science in Pre-Engineering
- Associate of Science in Hospitality and Tourism Management
ADMISSION

At the UW-Platteville campuses, we’re looking for determined individuals who want to achieve excellence, create opportunities, and empower themselves, their communities, and the world.

NO APPLICATION FEE AND NO ENROLLMENT DEPOSIT

Comprehensive application review
While academic potential is a part of what makes a great Pioneer, we also take into account non-academic factors, such as activities, work experiences, and volunteering; passion for continuing education; and the goals and motivations presented in the essay portion of the application.

ACT and SAT Requirement suspended
The requirement of an ACT or SAT test score has been suspended. For students that choose to forgo the use of a test score as part of their admission review, additional focus will be placed on the high school GPA and course rigor throughout their high school record. For those wanting to submit test scores we will accept the ACT super score.

Official versus unofficial
Unofficial high school transcripts and test scores (if submitted) are accepted for initial admission consideration. Final official transcripts are required prior to enrollment.

Freshman class academic profile
The following statistics are from new freshman applicants previously admitted to the Platteville campus. These ranges represent the middle 50% of admitted students—meaning that 25% of admitted students had scores below this range and 25% of admitted students had scores above this range.

<table>
<thead>
<tr>
<th>High School GPA (4.0 scale)</th>
<th>ACT Composite</th>
<th>SAT Composite</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.18–3.86</td>
<td>20–26</td>
<td>990–1210</td>
</tr>
</tbody>
</table>

Admission to the branch campuses primarily focuses on the completion of the 17 college preparatory units.

A LEADER IN STEM EDUCATION

Science, technology, engineering, and mathematics are at the core of our programs with one of the top engineering schools in Wisconsin, new facilities and labs, and an emphasis on undergraduate research. Whether a students’ interest lies in engineering, computer science and mathematics, or they’re drawn to chemistry, biology, or environmental science and conservation; they’ll receive guidance of esteemed and engaged faculty.

- New in 2022, Sesquicentennial Hall includes a massive Innovation Center, an accessible green roof, and the building itself is a learning tool with exposed building infrastructure.
- The Women in STEM Program provides mentorship and additional support.
- Newly renovated Boebel Hall houses a state-of-the art space including a Cadaver Lab, Animal House, and collaboration spaces.
- Unique student clubs such as the American Foundry Society, Engineers without Borders, and F.I.R.S.T Robotics Team provide another way for students to get the hands-on experience and support they need.
- Performance and visual arts opportunities are available for all majors. STEM majors are encouraged to be actively involved in chorus, band, and theatre.
- Living learning communities are available to enhance both academic and social opportunities.

LOAN REPAYMENT ASSISTANCE

Beginning fall 2021, UW-Platteville has partnered with Ardeo Education Solutions to offer incoming new freshmen elementary-middle level education majors the loan repayment assistance program at no cost to students or families. The assistance will continue until the graduate’s income exceeds $48,000 or until their loans are completely paid off. Visit the website to learn more.
MAKING COLLEGE AFFORDABLE  
www.uwplatt.edu/paying-college

UW-Platteville has received national recognition for the value of our degrees, and we have many options to make education even more affordable. Students can use our Cost Calculator to start planning ahead for their education.

Pioneer Pledge
Pell-eligible, full-time freshmen at the Platteville campus, who have been admitted by May 1 and have completed their FAFSA by July 1, will have their on-campus tuition and some fees covered by the Wisconsin Promise or the Pioneer Pledge, with opportunities to renew annually.

Tuition Advantage Program Formally known as the Tri-State Initiative
Residents of Illinois and Iowa are automatically reviewed for Tuition Advantage Program eligibility upon applying to the Platteville campus. Students receive a discounted tuition rate, making UW-Platteville comparable to the resident cost of attendance in their home state.

Scholarships
Scholarship opportunities at our UW-Platteville campuses vary in sizes but remain highly competitive. View individual scholarships to learn more. Below are highlights from a few of our newest new freshman scholarship opportunities.

UW-Platteville
- General New Freshman Scholarships
- Pioneer Pledge
- Chancellor's Scholarship – funds up to full tuition and fees and is renewable
- Multicultural Opportunity Scholarship – $2,500 and is renewable
- Merit Scholarship – $1,000–$2,000 renewable and automatic based upon unweighted GPA at time of admission
- Capstan Scholarship – includes full tuition and room and board for students pursuing STEM fields or for those pursuing accounting or finance

UW-Platteville Baraboo Sauk County
- General New Freshman Scholarships
- BaraBOOST – guaranteed $1,000 for all full-time new freshman

  - Final deadline: April 1

HIGH SCHOOL SPECIAL STUDENTS  
www.uwplatt.edu/special-and-guest-students

Early College Credit Program
- Courses held face-to-face on a university campus and occasionally online

UNIVERSITY SERVICES  
www.uwplatt.edu/university-services

At UW-Platteville, we know a successful student experience extends outside the classroom. That’s why we’re proud to offer support through the following services:

- Academic Support Programs
- Career and Professional Development Office
- Office of Multicultural Student Affairs
- Doyle Center for Gender and Sexuality
- Services for Students with Disabilities
- Student Health Services
- University Counseling Services
- Wright Center for Non-Traditional and Veteran Students
VISIT US
www.uwplatt.edu/visit

UW-Platteville and its branch campuses host on-campus visits with small groups and allow the opportunity for students to visit with academic departments and faculty, providing a more personalized experience.

For 2022–23 we have a variety of specialty visits that go deeper into exploring our academic programs and specific needs of prospective students and families. Check the calendar on the visit page to learn more.

This includes Paths to Platteville, where students of color and first generation students will be introduced to the unique support system and resources available to them. If a student can’t make it to campus, check out our visit page to experience our virtual tour.

Specialty visit dates*
• Education Shadow Day – Sept. 29
• Athletics and Recreation Visit – Oct. 3
• Construction Career Day – Oct. 5
• Medical Exploration Day – Oct. 9
• Pioneer Preview – Oct. 15
• Criminal Justice/Forensic Investigation Day – Oct. 28

*Please check website to confirm dates and availability as they are subject to change.
