Fall 2023 is off to a great start at the University of Wisconsin-Platteville, as we welcome new and returning students to our campuses at Platteville and Baraboo Sauk County. We understand that choosing a college is a huge decision and major investment, and we’re seeking innovators, dreamers, and doers who want to change the world. Our tuition ranks among the lowest in the state, which means our students graduate career-ready with less student debt than their peers.

UNIVERSITY OF WISCONSIN-PLATTEVILLE

Fall 2023 is off to a great start at the University of Wisconsin-Platteville, as we welcome new and returning students to our campuses at Platteville and Baraboo Sauk County. We understand that choosing a college is a huge decision and major investment, and we’re seeking innovators, dreamers, and doers who want to change the world. Our tuition ranks among the lowest in the state, which means our students graduate career-ready with less student debt than their peers.

ACADEMIC PROGRAMS

www.uwplatt.edu/academics

UW-Platteville offers over 50 academic majors with science, technology, engineering, and mathematics at the core of our programs. We are one of the top engineering schools in Wisconsin and have recently expanded our offerings in healthcare with our nursing, physical therapy, and physician assistant pre-professional programs.

Explore majors in top fields

- Agriculture
- Biology and healthcare
- Business and management
- Construction and industrial technology
- Criminal justice and social sciences
- Engineering, mathematics, and applied sciences
- Environmental and natural sciences
- Liberal arts and education
- Performing and visual arts

BARABOO SAUK COUNTY CAMPUS

www.uwplatt.edu/baraboo/academics

Associate degrees

- Associate of Arts and Sciences
- Associate of Science in Business Administration
- Associate of Science in Food and Agriculture
- Associate of Science in Pre-Engineering
- Associate of Science in Hospitality and Tourism Management

Bachelor degree

- Bachelor of Business Administration in Management
At the UW-Platteville campuses, we’re looking for determined individuals who want to achieve excellence, create opportunities, and empower themselves, their communities, and the world.

**Comprehensive application review**
While academic potential is a part of what makes a great Pioneer, we also take into account non-academic factors, such as activities, work experiences, and volunteering; passion for continuing education; and the goals and motivations presented in the essay portion of the application.

**ACT and SAT requirement suspended**
The requirement of an ACT or SAT test score has been suspended. For students that choose to forgo the use of a test score as part of their admission review, additional focus will be placed on the high school GPA and course rigor throughout their high school record. *For those wanting to submit test scores we will accept the ACT super score.*

**Official versus unofficial**
Unofficial high school transcripts and test scores (if submitted) are accepted for initial admission consideration. Final official transcripts are required prior to enrollment.

**Freshman class academic profile**
The following statistics are from new freshman applicants previously admitted to the Platteville campus. These ranges represent the middle 50% of admitted students—meaning that 25% of admitted students had scores below this range and 25% of admitted students had scores above this range.

### LEADERS IN STEM

UW-Platteville is a leader in STEM education with cutting-edge facilities and labs that are on par with larger universities. This includes Sesquicentennial Hall and the Huff Family Innovation Center, which is one of the largest makerspaces in the Midwest; the recent multi-million dollar renovations to Boebel Hall, our primary science building, including upgrades to the Cadaver Lab, which is a rare resource among primarily undergraduate institutions; and the 400-acre Pioneer Farm. This also includes unique facilities, like the Forensic Investigation Crime Scene House and TREES Lab.

- The [Women in STEM Program](#) provides mentorship and additional support.
- Newly renovated [Boebel Hall](#) houses a state-of-the-art space including Animal House and collaboration spaces.
- Unique student clubs such as the American Foundry Society, Engineers without Borders, and F.I.R.S.T Robotics Team provide another way for students to get the hands-on experience and support they need.
- Performing and visual arts opportunities are available for all majors.
- [Living learning communities](#) are available to enhance both academic and social opportunities.
MAKING COLLEGE AFFORDABLE
www.uwplatt.edu/paying-college

UW-Platteville has received national recognition for the value of our degrees, and we have many options to make education even more affordable. Students can use our Cost Calculator to start planning ahead for their education.

Pioneer Pledge
Pell-eligible, full-time freshmen at the Platteville campus, who have been admitted by May 1 and have completed their FAFSA by July 1, will have their on-campus tuition and some fees covered by the Pioneer Pledge, with opportunities to renew annually.

Scholarships
Scholarship opportunities at our UW-Platteville campuses vary in sizes but remain highly competitive. View individual scholarships to learn more. Below are highlights from a few of our newest new freshman scholarship opportunities.

VISIT US
www.uwplatt.edu/visit

UW-Platteville and its branch campus host on-campus visits with small groups and allow the opportunity for students to visit with academic departments and faculty, providing a more personalized experience.

For 2023–24 we have a variety of specialty visits that go deeper into exploring our academic programs and specific needs of prospective students and families. Check the calendar on the visit page to learn more.
