# COUNSELOR GUIDE

Your guide to the  
University of  
Wisconsin System.

# NEW THIS YEAR

- **No ACT/SAT:** ACT and SAT scores continue to be suspended as part of the application review process for all UW System campuses through the 2024-2025 academic year.
- **Find a Program:** We created the Find a Program tool to help your students research more about the majors and programs available across the UW System. Visit [apply.wisconsin.edu/find-a-program](https://apply.wisconsin.edu/find-a-program) to search and filter the hundreds of programs offered.
- **Application Fee:** Beginning Fall 2024 term, the following UW System campuses charge an application fee for every application submitted: UW-Eau Claire (\$25), UW-La Crosse (\$25), and UW-Madison (\$70). For the other UW System campuses, students may submit up to three applications for free to either the main campus or branch campus. After that, students will be charged \$25 per application.
- **Financial Needs-Based Application Fee Waiver:** Students who believe they are eligible for a financial needs-based application fee waiver should self-report financial need on their application.

## THE FALL 2024 APPLICATION IS OPEN

The UW System Online Application for Fall 2024 opened on August 1, 2023. The earlier your students apply, the sooner they can hear back and make plans for the year ahead. Apply today at [apply.wisconsin.edu](https://apply.wisconsin.edu).

# APPLY TO UWs

Once your students choose a UW, it's time for them to get the pieces in place to make it as easy as possible to apply.

## Application Steps

- 1. Complete the application:** Students can complete the University of Wisconsin System online application at: [apply.wisconsin.edu](https://apply.wisconsin.edu). Designed with a focus on a smooth and user-friendly experience, the process is expected to take approximately 30 minutes.
- 2. Submit payment, if required:** Beginning Fall 2024 term, the following UW System campuses charge an application fee for every application submitted: UW-Eau Claire, UW-La Crosse (\$25), and UW-Madison (\$70). For the other UW System campuses, students may submit up to three applications for free to either the main campus or branch campus. After that, students will be charged \$25 per application.

Payments to campuses requiring an application fee can be made online by credit or debit card, or by mailing a check to the admissions office of each campus where they are applying.

**3. Provide documentation:** You can help your students access the right paperwork to support their application. Students will need to submit the following documentation for each UW System campus a student applies to:

- Upload an unofficial high school transcript or GED/HSED score report.
- Official college transcripts (if a student took college credits in high school).
- ACT and SAT scores continue to be suspended as part of the application review process for all UW System campuses through the 2024-2025 academic year.
- A letter of recommendation is NOT required for admission to a UW campus. Exception: UW-Madison requires a single letter from an academic source such as a teacher, school counselor, or faculty member. After students submit an application, they will receive a Next Steps PDF that will outline how to submit a letter of recommendation.

**4. Next Steps:** After submitting the application, the campus admissions office will let students know the application status and next steps. Students can consult the Next Steps PDF they receive in their email.

UWs know your students are more than just facts and figures.

# ESSAY

## ALL CAMPUSES ASK THE FOLLOWING QUESTION

This part is all about you. Tell us about something you've done—academically or personally—and what you've learned from it. Was it a success or a challenge? Did it represent a turning point in your life? How did this particular moment in your life influence you, and how will it continue to influence you as you pursue your college education?

UW-La Crosse and UW-Madison ask one additional question:

### *UW-La Crosse*

Please respond to ONE of the following:

(1) How will your life experiences or commitments enrich the UW-La Crosse campus community? OR (2) Tell us why you are interested in attending UW-La Crosse and what aspects of the campus are especially important to you.

UWs use the essay(s) to learn more about each student and what makes them a good candidate.

Encourage your students to write about their whole life experience: their successes, obstacles, and lessons learned. In short, the essay can be your students' best chance to convince the world why college is right for them.

### *UW-Madison*

Tell us why you would like to attend the University of Wisconsin–Madison. In addition, please include why you are interested in studying the major(s) you have selected. If you selected undecided, please describe your areas of possible academic interest.

# APPLICATION DEADLINES

Rolling admission	Aug 1, 2023	1-2 week(s)
Rolling admission	Aug 1, 2023	1-3 days
Rolling admission	Aug 1, 2023	2 weeks

## APPLICATION STATUS

Students can check their application status directly on their UW's website. Get the complete list of UW portal websites at:

[uwhelp.wisconsin.edu/apply-to-your-uw/after-you-apply/](https://uwhelp.wisconsin.edu/apply-to-your-uw/after-you-apply/)

# AFFORD UWs

This chart includes tuition for the 2023-2024 academic year for a full-time undergraduate student. Fees are not included. We recommended students check with their UW to make sure they have to most up-to-date cost of attendance figures.

**UW campuses are one of the most economical options for your students, but they are still an investment.**
