UW

# ***YOUR FUTURE STARTS***

College is just around the corner, so now's a great time to explore your options. This is your guidebook to the Universities of Wisconsin — a collection of 13 public universities with campuses across the state. We're home to world-class education, big ideas, and exciting adventures. Let's jump in.

## OPPORTUNITIES ABOUND

Did you know you can access a premier education right here in our backyard? Each of our 13 UW universities is unique – from our larger comprehensive institutions to more intimate learning at our smaller campuses. Whichever UW you choose, you'll find many ways to dive deep into your career interests. From hands-on research opportunities to study abroad programs and everything in between, the experiences you have will shape you during college and beyond.

# UW

# 13 UNIVERSITIES

**8.4**

On average, students earning their bachelor's degree at the same UW complete the degree in 8.4 semesters — just over four years.

Universities of Wisconsin,  
Office of Policy Analysis & Research, 2022-23

**85%**

Percent of seniors at UWs who indicate their entire educational experience was excellent or good, two points higher than the national average.

National Survey of Student Engagement, 2020

**162,000**

Number of students who choose to enroll at one of the Universities of Wisconsin each year.

Universities of Wisconsin,  
Office of Policy Analysis & Research

**COUNTLESS  
POSSIBILITIES**

## HOW TO USE THIS VIEWBOOK

With 13 Universities of Wisconsin across our state, there's a world of choices right outside your doorstep. The hardest part? Selecting which UWs are the best fit — for you. We made this viewbook to help you find your perfect UW.

## SECTION 1

## WHAT DO YOU WANT TO STUDY?

Each university offers different fields of study. Zero in on which UWs will let you dig deep into what interests you most.

## SECTION 2

## WHERE DO YOU WANT TO STUDY?

From world-renowned research universities to smaller campuses with a private school feel, you can choose a UW university that matches how, where, and what you want to learn. Explore all our campuses to find which UWs fit you best.

## SECTION 3

## HOW DO YOU GET INTO YOUR UW?

There have never been more ways to gain admission to a UW university. Find out just how easy it can be to get into the UW of your dreams.

## SECTION 4

## WHAT ARE YOUR NEXT STEPS?

College is a big investment. But there are ways to make it more affordable. Start researching the many resources out there to get you on your way.

## SECTION 1

# WHAT DO YOU WANT TO STUDY?

The Universities of Wisconsin offer undergraduate, graduate and professional degrees along with fully online opportunities. You'll receive an excellent education at any UW. Even if you don't know what you want to major in yet, that's okay! The Universities of Wisconsin have resources to help you explore your options and discover the academic program that's the best fit for you.

### HAVING TROUBLE DECIDING?

**Consider what subjects interest you and that you'd enjoy diving more deeply into after high school.**

What subjects do I excel at?

Which subjects or people inspire me?

Which activities do I like to do outside of school?

## FIND A PROGRAM

At the Universities of Wisconsin, you can choose from thousands of majors and academic programs. We created the Find a Program tool to help you research more about the majors and programs available across all our universities.

[apply.wisconsin.edu/find-a-program](https://apply.wisconsin.edu/find-a-program)

## THE POWER OF ONLINE EDUCATION

Across our 13 universities, we offer more than 200 fully online degree options. Now, more than ever, you can find the online program that fits your goals—and have the flexibility to get there. Visit the Wisconsin Online website to browse our catalog. Search by interest area, campus, or degree level to find the right program match for you.

[online.wisconsin.edu](https://online.wisconsin.edu)

## MYMAJORS

Not sure what you want to study yet? Don't worry. Just follow these 3 easy steps to explore your options:

1. Take the 15-minute MyMajors assessment.
2. Review results showing majors best suited for you based on your unique strengths, interests, and personality.
3. Check out the list of UW universities offering your suggested majors and explore information on possible career paths.

Your experiences in and out of class, self-assessments like MyMajors, and help from an academic or career advisor can help you discover the right fit for you.

[wisconsin.mymajors.com](https://wisconsin.mymajors.com)

# MAJORS

## THE TRUTH ABOUT MAJORS

Here's the deal. Across the country, schools often use slightly different names for the same majors. For example, a major in Accounting at one university might be called Accountancy at another. This can make it challenging to find what you're looking for. So, how do you determine which universities are the best academic fit? We have two recommendations.

### 1. Keep it simple

Don't get caught up trying to cross-reference majors across campuses. All you need to know is if a university will let you study what interests you. The UW Journey app ([uwjourney.wisconsin.edu](http://uwjourney.wisconsin.edu)) is great for that, or search and filter for a UW program of interest to you using the Find a Program tool: [apply.wisconsin.edu/find-a-program](http://apply.wisconsin.edu/find-a-program).

### 2. Ask

Every UW will work with you to ensure you get the education you need. Once you have narrowed your choices, ask your UWs what majors they offer in your area of interest. Then, you can compare actual classes to see which UWs sound most interesting.

AGRICULTURE, FOOD, AND NATURAL RESOURCES													
Majors that focus on the foods and materials humans use to thrive.	UW-Eau Claire	UW-Green Bay	UW-La Crosse	UW-Madison	UW-Milwaukee	UW-Oshkosh	UW-Parkside	UW-Platteville	UW-River Falls	UW-Stevens Point	UW-Stout	UW-Superior	UW-Whitewater

Undergraduate student enrollment reflects the 2023-2024 academic year. Admission rate reflects the 2022-2023 academic year. Tuition rates reflect the 2024-2025 academic year.

## SECTION 3

# 3 HOW DO YOU GET INTO YOUR UW?

It's an exciting time to be college-bound in Wisconsin. Why? There are more ways to access the amazing educational opportunities at the Universities of Wisconsin than ever.

Starting August 1, 2024, with the Class of 2025, the Universities of Wisconsin will offer three paths to first-year/freshman undergraduate admission. All three paths to admission require students to meet the minimum admission criteria. Neither Direct Admit Wisconsin nor The Wisconsin Guarantee provide guaranteed admission into a specific major or program of study. Rather, they provide admission to University of Wisconsin universities.

# 3 PATHS FOR ADMISSION

[www.wisconsin.edu/students/wipathways](http://www.wisconsin.edu/students/wipathways)

## TRADITIONAL APPLICATION

[apply.wisconsin.edu](http://apply.wisconsin.edu)

Submitting an application for admission is the traditional route to gaining admission. The Universities of Wisconsin Application opens August 1, 2024. Visit [apply.wisconsin.edu](http://apply.wisconsin.edu) and get started. The application has been designed to take less than 30 minutes to complete.

## DIRECT ADMIT WISCONSIN

[www.wisconsin.edu/direct-admissions](http://www.wisconsin.edu/direct-admissions)

This path offers early and proactive admission to participating Universities of Wisconsin for rising seniors at participating Wisconsin high schools. The UWs collaborate with participating high schools to review student academic records (high school courses and GPA) at the end of their junior year and make offers of admission from participating UW universities without the need to submit a traditional admission application.

## THE WISCONSIN GUARANTEE

[www.wisconsin.edu/wisconsin-guarantee](http://www.wisconsin.edu/wisconsin-guarantee)

First-year applicants from Wisconsin high schools who are in the top 10% of their class at the end of 11th grade, or Wisconsin residents who are homeschooled and receive an ACT score in the national 90th percentile ranking or higher, or are a National Merit Scholarship finalist will be guaranteed admission to all UW universities except UW-Madison. First-year applicants from Wisconsin high schools who are in the top 5% of their class at the end of 11th grade, or Wisconsin residents who are homeschooled and receive an ACT score in the national 98th percentile ranking or higher or are a National Merit Scholarship finalist will be guaranteed admission to UW-Madison provided that they apply on or before the Early Action deadline. A Universities of Wisconsin Application is required for Wisconsin Guarantee eligibility.

	Traditional Application	Direct Admit Wisconsin	The Wisconsin Guarantee
<b>Which UWs are participating?</b>	All	All, except UW-Eau Claire, UW-La Crosse, & UW-Madison	All
<b>How is eligibility determined?</b>	Holistic review of multiple student factors	High school courses & GPA	Class rank determined by GPA on 11th grade transcript <ul style="list-style-type: none"> <li>• Top 5% admitted to all UWs</li> <li>• Top 10% admitted to all UWs except UW-Madison</li> </ul>
<b>When are admission decisions made?</b>	Beginning August 1, based on application date and UW decision date	July before senior year	Beginning August 1, based on application date and UW decision date
<b>Do students have to agree to participate?</b>	No	Yes	No
<b>Is an admission application required?</b>	Yes	No	Yes
<b>Is an application fee required?</b>	Yes, if required by the university	No	Yes, if required by the university
<b>Is this available to out-of-state applicants?</b>	Yes	No	No
<b>Is admission guaranteed to a UW?</b>	No	Yes	Yes
<b>Is admission guaranteed to a specific major or program?</b>	No	No	No

# APPLICATION STEPS

If you'll be submitting an application, follow these steps for a smooth experience.

## 1. Complete the Universities of Wisconsin Application:

Visit [apply.wisconsin.edu](https://apply.wisconsin.edu), create an account, and follow the prompts to enter your information. An application is required for traditional admission and to be eligible for the Wisconsin Guarantee.

Note: Essay requirements will vary by university. Some UWs require an essay, some have an optional essay requirement, and others have no essay requirement.

## 2. Submit payment, if required:

There is no cost to apply to the Universities of Wisconsin as an undergraduate student with the following exceptions:

- UW-Eau Claire and UW-La Crosse have \$25 application fees.
- UW-Madison charges a \$70 application fee.

If an application fee presents a financial hardship, you can indicate a need for a fee waiver in the application.

Payments to UWs requiring an application fee can be made online by credit or debit card or by mailing a check to the admissions office where you are applying.

## 3. Submit documentation:

You will need to provide the following documentation for each university you apply to:

- Upload an unofficial high school transcript or GED/HSED score report.
- Send official college transcripts if you took college credits in high school.
- A letter of recommendation is NOT required for admission. Exception: UW-Madison requires a single letter from an academic source such as a teacher, school counselor, or faculty member. After submitting an application, you will receive a Next Steps PDF outlining how to submit a letter of recommendation.

## Next steps:

After submitting the application, the university admissions office will contact you about your application status and next steps. Be sure to consult the Next Steps PDF you receive in your email.

## TEST SCORES NOT REQUIRED

Students who apply for undergraduate admission through Summer 2027 term may choose whether or not they wish to submit ACT or SAT test scores as part of their application materials. If you choose to provide test scores, they may be considered as part of the admission process.

## SECTION 4

# NEXT STEPS

You can call or email a UW university directly if you have any questions. They'd love to hear from you. They'll also let you know about your application, enrollment status, and anything else they might need from you.

### UW CONTACTS AND TIMELINES

Need to reach out to your UWs?  
You can find a list of contacts at  
[uwhelp.wisconsin.edu/campus-contacts](http://uwhelp.wisconsin.edu/campus-contacts).

# ***FINANCING YOUR FUTURE***

## **FAFSA**

The federal government is the largest source of student financial aid. Start by seeing if you qualify for federal assistance — complete the Free Application for Federal Student Aid (FAFSA). Every university awards some aid to FAFSA applicants as well as to students based on their application for admission. FAFSA opens on October 1, 2024. Apply for FAFSA at [fafsa.gov](https://fafsa.gov) before the preferred filing date and include your UW's FAFSA code.

## **LOANS**

Loans are money you borrow from an academic or financial institution. They must be repaid in full and include interest payments. Government loans usually have lower interest rates than private loans.

## **STUDENT EMPLOYMENT AND WORK-STUDY**

Talk to your UW financial aid office about finding student employment options. Wages vary, and most students average 15 hours/week to earn about \$3,000/year.

## **GRANTS AND SCHOLARSHIPS**

Grants and scholarships are ideal because they provide money for college that you do not need to repay. They are awarded by federal and state government, community, campus, and private organizations based on financial need, academic merit, or other specific criteria. Your high school counselor is great to talk to about finding grant and scholarship opportunities in your community.

Learn more about paying for college at  
[wisconsin.edu/students/pay-for-college](https://wisconsin.edu/students/pay-for-college)
