- Education
- Art & Design
- Environmental Science
- Engineering & Engineering Technology

"I fell in love with UW-Green Bay immediately. I loved the seclusion of campus, yet the proximity to the city. And the academic opportunities in the business program were too good to pass up. The university also had a collegiate DECA program, which I became actively involved in, ending the year as vice president of leadership."

- Dina Maleny Capetillo Jimenez '23
BBA in Finance, First-Gen student
