Tips to Being a Competitive Applicant

Students need to have rigor in their senior schedule. Courses in the core curriculum of English, math, science and social science are extremely important.

Essays

First Essay Prompt (Universities of Wisconsin):

Each student is unique. Please tell us about the particular life experiences, talents, commitments, and/or interests you will bring to our campus.

Second Essay Prompt (UWL):

Please respond to ONE of the following: (1) Tell us about any circumstances that may have had an impact on your academic performance. OR (2) Tell us why you are interested in attending UW-La Crosse and what aspects of the campus are especially important to you.

ACT/SAT Scores

Submitting ACT or SAT scores is not required for admission consideration. Applicants choosing to not submit standardized tests will not be at a disadvantage nor will it negatively impact their application review. Students who have taken the ACT or SAT are welcome to submit their score.

Applicants are encouraged to send official test scores directly from the testing agency or may self-report test scores.

Superscores

UWL superscores both the ACT and SAT. To take advantage of superscoring, we recommend submitting all test scores if taken multiple times. For both the ACT and SAT, UWL will use the highest score of each section (e.g., English, math, reading, science), regardless of test date, to calculate an ACT or SAT superscore. UWL does not consider the writing portion of either test.

Unofficial High School Transcripts

Unofficial high school transcripts may be uploaded with the application for admission or may be sent from the high school to the UWL Admissions Office. An official final high school transcript will be required for all admitted students enrolling at UWL. We accept official transcripts with the graduation date sent by the high school via USPS mail or an electronic sending service (e.g., Parchment, Xello, etc.).

Credit By Exam

We publish the information about our policies for accepting AP, IB and CLEP credits through our Credit by Exam guide, available at uwlax.edu/admissions/ap-ib-clep-credit.

Transferology

Transferology is a nationwide network designed to help students answer the question of how their courses will transfer. Students enter courses to find equivalent courses at UWL or use the Transferology site to inform UWL about coursework that has not yet been evaluated. www.transferology.com/school/uwlax

WINGS Student Center: Need To Know

When a student applies to UWL, they are sent an email to the email address provided on their application with a username and password providing access to their WINGS Student Center. Through their WINGS Student Center, they will track the status of their application, pay their enrollment deposit, complete the housing contract, view information about financial aid, sign up for START, register for classes and review information about transfer credit.

Midwest Tuition Rate

This is a competitive merit-based tuition reduction program for selected new freshmen who are Illinois, Indiana, Iowa, Kansas, Michigan, Missouri, Nebraska, North Dakota, Ohio or South Dakota residents.

Scholarships

Students who are admitted to UWL can apply for scholarships through the UW-La Crosse Alumni & Friends Foundation. The application can be found at uwlax.academicworks.com and is due February 1. There are also academic merit scholarships that students are automatically considered for based on their application for admission. High school course rigor, class rank and grade point average, ACT/SAT test scores and the essays are among criteria that will be reviewed for scholarship purposes. Students will be notified by the Admissions Office if they receive a scholarship.
